

CSMSS

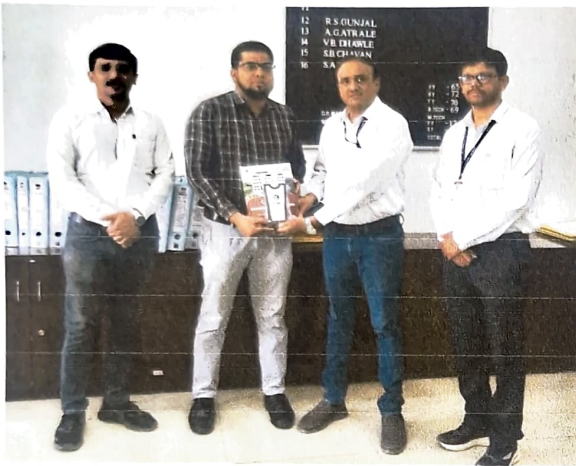

**CHH. SHAHU COLLEGE OF ENGINEERING, CHHATRAPATI
SAMBHAJINAGAR**

Name of the Department: - Civil Engineering Department

Name of the event:	Expert lecture on Scope of Structural Design in Civil Engineering
Date of the event:	11 th March 2026
Participants	91 students of S.Y. & T.Y. and 03 faculties from Civil Engineering department
Expert(s) / Guest(s) of the event:	Mr. Er. Asad Deshmukh, (M.E. Structure), Chartered Engineer, (RCC & Steel Structure Design, PEB Design, Structural Audit), Deshmukh & Associates, Consulting Engineers, Chhatrapati Sambhajnagar
Summary of the event:	<p>Department of Civil Engineering organized this expert lecture on Scope of Structural Design in Civil Engineering. Resource person for expert lecture Mr. Er. Asad Deshmukh, (M.E. Structure), Chartered Engineer, (RCC & Steel Structure Design, PEB Design, Structural Audit), Deshmukh & Associates, Consulting Engineers, Chhatrapati Sambhajnagar. Sir had thrown light on importance and use of different structural design software. Sir had shown auto cad drawings and structural models of live projects completed by Deshmukh and Associates.</p> <p>Sir also discussed on use of IS codes in structural design. 91 students from S.Y. & T.Y. and 03 faculties from Civil Engineering department attended this lecture. The coordinator of this expert lecture was Prof. D.M. Pandit.</p>
➤ Outcome(s):	<ul style="list-style-type: none">➤ Bridging the gap between theoretical classroom design and on-field execution challenges.➤ Importance and use of different structural design software.➤ Guidance on IS code use for structural design
