

CSMSS

**CHH. SHAHU COLLEGE OF ENGINEERING,
CHHATRAPATI SAMBAHJINAGAR.
DEPARTMENT OF CIVIL ENGINEERING**

**In Association with
INDIAN SOCIETY FOR TECHNICAL EDUCATION (ISTE)**

Name of the event:	Placement and Higher Studies Opportunities through GATE and Other Competitive Exam
Date of the event:	11 th May, 2026
Participants	Students of Second Year Civil Engineering
Expert(s) / Guest(s) of the event:	Mr. Paresh Gugale, MTech, MBA - NITIE, Mumbai, GATE Imperial Institute of Excellence, Pune.
Summary of the event:	<p>An expert talk on “GATE Examination Preparation and Career Opportunities” was organized for the Second-Year students, where Paresh Gugale was invited as the keynote speaker. The program began with a warm welcome of the guest, followed by an introduction highlighting his remarkable achievements in academics, GATE examinations, and student mentorship. The guest was felicitated by the faculty members as a token of respect and appreciation. An overview of the event and its objectives was explained to the students, emphasizing the importance of competitive examinations and career planning during engineering studies.</p> <p>During the session, Sir shared his inspiring academic journey, achievements in GATE, and experiences as a mentor to thousands of students. He explained the importance of conceptual learning, time management, consistency, and proper planning for competitive examinations. He also discussed various opportunities available after qualifying GATE, including admissions to prestigious institutes, higher studies, research opportunities, and placements in Public Sector Undertakings (PSUs). The speaker motivated students to begin preparation from the early stages of engineering and encouraged them to develop strong technical fundamentals along with problem-solving skills.</p> <p>The session was highly interactive, where students actively participated and asked questions regarding exam preparation strategies, career guidance, and future opportunities. The speaker provided practical tips on maintaining focus, managing studies effectively, and staying motivated throughout the preparation journey. The expert talk proved to be highly informative, inspiring, and beneficial for the students in shaping their academic goals and future career paths.</p>

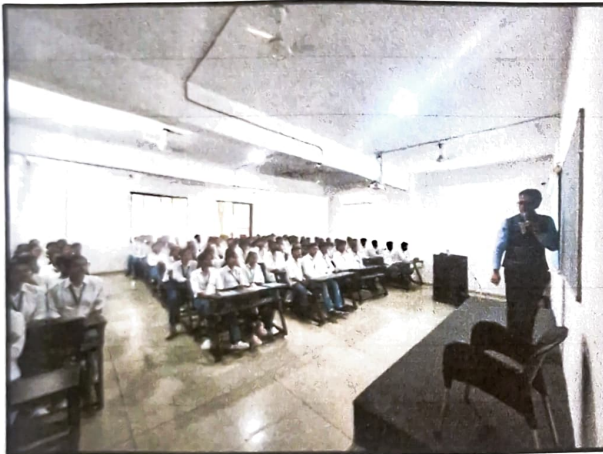

Outcome(s):

- Students gained awareness about the importance and scope of the GATE examination.
- The session motivated students to start competitive exam preparation from the early years of engineering.
- Students understood effective study techniques, time management, and preparation strategies for GATE.
- The expert talk enhanced students' confidence and encouraged them to focus on conceptual learning.
- Students received valuable guidance regarding career opportunities in PSUs, higher education, and research fields.
- The interaction session helped students clarify their doubts related to competitive examinations and career planning.
- The event inspired students through the speaker's achievements and success journey.
- Students developed a positive attitude towards technical learning and self-improvement.
- The session encouraged students to set clear academic and professional goals for their future.
