| Date of the event: | May 26, 2025 from 11:00 AM to 12:00 PM |
| Participants | Around 25 parents along with faculty members of CSE department of CSMSS College of Engineering. |
| Expert(s) / Guest(s) of the event: | Dr. M. B. Wagh (HOD, CSE Dept.) from Computer Science & Engineering department, CSMSS CSCOE Aurangabad. |
| Summary of the event: | <p>The Parents-Teacher Meet was organized by the Department of Computer Science & Engineering, CSMSS Chh. Shahu College of Engineering, Aurangabad, for First, Second, and Third Year students. The meeting witnessed active participation, with around 25 parents in attendance.</p> <p>The meeting was inaugurated with the Saraswati Pujan and lamp lighting, led by parents alongside Dr. M. B. Wagh and faculty members.</p> <p>Dr. M. B. Wagh emphasized the need for a nurturing and cooperative educational atmosphere. He shared plans for new initiatives aimed at deepening the parent-teacher partnership, with a focus on better communication and collaboration to provide well-rounded support for students during their academic journey.</p> <p>The Parent-Teacher Meeting addressed key aspects concerning students' certification, including their ongoing project activities, participation in upcoming competitions, and involvement in entrepreneurship programs. The discussions emphasized the importance of academic progress, skill development, and parental support in facilitating the students' overall growth and success.</p> <p>The meeting was concluded with vote of thanks given by Dr. S. V. Khidse. After this Parents were asked to fill up the feedback form.</p> <p>After this, interaction between Parents, Class Teachers, Subject Teachers and Teacher Guardian was done. There was discussion on student's performance in individual subjects, student's discipline in classrooms and their attendance percentage. Parents expressed appreciation for the college's efforts in maintaining transparency and ensuring student welfare. Tea were provided to the parents after meeting.</p> |
| Outcome(s): | <ul style="list-style-type: none"> • The PTM served as a productive platform for open dialogue, mutual understanding, and collaborative planning. • It reinforced the shared commitment of parents and faculty to nurturing students into responsible and capable engineers. |
