Department of Computer Science & Engineering

Department Library:

The term “library” carries a rich history, serving as a cornerstone of academic life. Libraries are vital resource centers that curate extensive collections to support the learning and research needs of faculty and students. The Computer Science & Engineering Department Library is particularly noteworthy, featuring a wide selection of the latest books by esteemed authors, meeting the academic needs of both students and faculty.

Beyond core academic resources, the library offers materials for standardized tests, including TOEFL, GRE, GATE, and Civil Service Examinations. With open access for all students, faculty, and staff, the library promotes a vibrant culture of knowledge and academic growth within the department.

Objectives:

The CSE department Library enables educational and research success by :

- Provide essential resources to support academic growth.
- Facilitate access to diverse scholarly materials.
- Foster a collaborative study environment.

Resources:

To cater to the wide varieties of demands of students and faculty and taking Educational needs, Information needs, Inspiration needs and recreational needs into consideration, Computer Science & Engineering Departmental library has been enriched with:

- 514 Volumes of textbook titles are available.
- Project thesis (B.Tech, M.Tech) of past academic years are being maintained.
- Old question papers
- Competitive Exam Books like GRE, GATE, Civil Services, Aptitude, Reasoning
