## **NOTICE**

All the Second year, Third year and B. Tech students of Electronics and Computer Engineering are hereby informed IETE students' Forum and Electronics and Computer Engineering Department Students association is going to organize a Project Exhibition in Electronics and Computer Engineering Department on 13-01-2025 at 10:15PM to 1:30PM. Students who would like to Participate can contact the IETE faculty advisor. All should report on time.

**Dr. D. L. Bhuyar**  
Head of Department

| <b>Summary of the event:</b>                                  | <p>In Project Exhibition showcased innovative projects created by Second year, Third year and Final Year students. These projects were designed to benefit not only the faulty but also students across all academic levels.</p> <p>The event highlighted the creativity and technical skill of the students, emphasizing real word application and interdisciplinary collaboration. The exhibition served as an inspiring platform for underclassmen to explore advanced concept and motivated them to contribute to similar projects in the future. Faculty members appreciated the students dedication and the practical relevance of their work</p> |
| <b>Outcome(s):</b>                                            | <p>After Attending the session students are able to:</p> <p><b>1. Feedback and evaluation:</b> - Exhibition provides an opportunity to receive and evaluation from peers, expert and students. This can be help participant to identify areas for improvement and further development, and can also help validate the value and impact their work.</p> <p><b>2. Inspiration and motivation:</b> - Exhibition can inspire and motivate participant by showcasing the accomplishment of others and providing opportunities to learn from their experiences. This can help to foster innovation creativity, and sense of community among participants.</p> |
| <b>No. of Participants /Attendee:</b>                         | 100 students and faculty members.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
