## REPORT OF

### “Expert Talk by Mr. K. P. Singh”

**Topic:** - “Study Abroad in Uncertain Times: Navigating Geopolitical Shifts for a Secure Future”.

**Date:** 09/04/2025

**Time:** 11:15 AM to 03:15 PM

**Organizer:** IETE ISF, Department of Electronics and Computer Engineering

**Venue:** Seminar Hall, A Building, Chh. Shahu College of Engineering.

**Goal:** The goal of studying abroad in uncertain times is to equip students with global competencies, adaptability, and cross-cultural understanding, enabling them to navigate geopolitical shifts effectively. By gaining diverse perspectives and skills, students can secure better career opportunities, contribute to global problem-solving, and build a more resilient, interconnected future.

**Objective:**

1. Offer expert advice on selecting suitable study programs and destinations based on current global trends.
2. Update participants on the latest visa regulations and financial requirements for studying abroad.
3. Educate students about scholarships and financial aid options available through various international universities.
4. Conduct a GRE mock test to help students assess their preparation and understand the testing format.
5. Highlight the importance of adaptability and informed decision-making in uncertain global scenarios.
6. Create awareness about future opportunities and challenges in pursuing global education.

**Benefits:**

1. Clarity on Study Abroad Planning: Students gained a clearer understanding of how to

choose the right course, university, and country based on current geopolitical trends.

2. Updated Knowledge on Visa & Finance: Participants were informed about recent changes in visa regulations, financial planning, and how to manage living expenses abroad.
3. Awareness of Global Opportunities: The session opened doors to new academic and career opportunities worldwide, motivating students to think globally.
4. Preparation for Standardized Tests: The GRE mock test gave students hands-on experience and insight into test structure, improving their readiness for competitive exams.
5. Scholarship Guidance: Students learned about various scholarship schemes, making higher education abroad more accessible and affordable.
6. Expert Mentorship: Direct interaction with Mr. K.P. Singh provided authentic advice, practical tips, and industry insights from an experienced professional.
7. Confidence Building: The session boosted students' confidence to pursue international education despite uncertainties in the geopolitical landscape.

**About Event:**

- The event titled “Study Abroad in Uncertain Times: Navigating Geopolitical Shifts for a Secure Future” was organized by CSMSS Chh. Shahu College of Engineering, Chhatrapati Sambhajinagar in collaboration with IMFS (Institute of Management & Foreign Studies) on Wednesday, 9th April 2025.
- The session was conducted by renowned international education expert Mr. K.P. Singh, who brought with him years of experience and insights into global education trends. The event aimed at guiding students on how to plan their overseas education journey amid the changing geopolitical and economic scenarios worldwide.
- It was held from 11:15AM to 03:00 PM at the college campus, and witnessed enthusiastic participation from students of various departments. The session covered a wide range of topics including program and country selection, visa and financial planning, GRE preparation, and scholarship opportunities.
- The interactive session enabled students to raise their doubts and receive personalized advice. A GRE mock test was also introduced to help students assess their preparedness for standardized exams.
