Research & Development Cell (R&DC) Activity Report

Name of the event:	Online Webinar on "Get Your Academic Grants Freely"
Date of the event:	17th May 2025
Organized by:	CSMSS Chh. Shahu College of Engineering
Collaboration with:	Spoorthy Engineering College, Hyderabad
Under the Initiative:	Research & Development Cell Activity
Speaker:	Dr. Konakala Durga Prasad Grants Writer and Speaker, Hyderabad, India
Target Audience:	1) All UG, PG students from all applicable departments of CSMSS CSSOE. 2) All the faculty Members.
Venue / Platform / Mode:	Online (Platform : Google meet http://meet.google.com/btb-yrze-fts)
Coordinator:	Dr. Y. H. Bhosale
Objective:	To educate and guide faculty members on how to effectively secure academic grants and funding opportunities without incurring costs..
Overview	The webinar, titled "Get Your Academic Grants Freely," was conducted on May 17, 2025, at 6:15 PM. The session featured Dr. Konakala Durga Prasad, an expert in academic research funding and grant writing. The webinar provided comprehensive guidance on identifying, applying for, and acquiring various academic grants..
Participation	Faculty members and researchers attended the webinar. The session witnessed active engagement through questions, discussions, and feedback.
Fees:	The event was conducted free of charge.
Key Outcomes:	Participants gained clarity on the different types of grants available. Strategies for writing successful grant proposals were shared. Information on freely available national and international funding sources was provided. Faculty members expressed interest in future workshops on similar themes.
Feedback & Suggestions:	• The content was found to be highly informative and practical. • Participants suggested organizing follow-up sessions focusing on specific grant writing techniques. A few attendees recommended having more time for Q&A interactions.
Conclusion:	The webinar successfully met its objectives by enlightening faculty members on the refinement of securing academic grants. The event was well-received and proved to be a valuable step in supporting research and development activities within the institution.
