CHH. SHAHU COLLEGE OF ENGINEERING, Chhatrapati Sambhajnagar

Department of Computer Science & Engineering

Research & Development Cell (R&DC) Activity Report

Name of the event:	Ideathon – An Innovation Competition
Date of the event:	21 st May 2025
Organized by:	Department of Computer Science & Engg, CSMSS Chh. Shahu College of Engineering
In Collaboration with:	
Under the Initiative:	ISTE Student Chapter, IIC Cell Chh. Shahu College of Engineering
Speaker:	
Target Audience:	Second and Third-year students from CSE department of CSMSS CSSOE.
Venue / Platform / Mode:	401B Lab of Department of Computer Science & Engg, CSMSS CSSOE
Coordinator:	Dr. G. J. Sahani and Prof. A. S. Sardar
Objective:	<ul style="list-style-type: none">➤ Encourage second and third year students to develop and present innovative solutions to real-world problems through visual posters.➤ Promote teamwork and effective communication skills by requiring participants to work in groups, enabling them to articulate their ideas clearly through presentations.
Overview	It is a poster presentation competition on the problem-solution of ideas generated in the student's mind. It is a group event. Each participating group will have to identify one real life problem, think about how to solve it by using the technology and prepare one poster on it. All the groups will have to present their poster on the day of an event
Participation	A total of 12 groups of second and third year presented their innovative ideas, with each group comprising up to four students.
Fees:	No fees to attend the program- E- certificates will be given to all participants
Key Outcomes:	Students demonstrated significant creativity and practical thinking. The event fostered collaborative learning, innovation, and enhanced technical communication skills among students.
Feedback & Suggestions:	NA
Conclusion:	The poster presentation competition, graciously inaugurated by our esteemed Principal Sir, was a resounding success. Participants demonstrated not only their depth of knowledge but also their ability to communicate complex ideas clearly and engagingly. This event served as a valuable platform for exchanging ideas, fostering academic

curiosity, and encouraging interdisciplinary collaboration. We extend our heartfelt thanks to Principal Sir and HOD sir for their support and to all participants for making this event a memorable and enriching experience.
