ABOUT US:

The Chhatrapati Shahu Maharaj Shikshan Sanstha's (CSMSS) Chh. Shahu College of Engineering (DTE Code 2533) was established in the year 2013, aiming to develop the next generation of competent technocrats for industry and society. The institute is committed to ensuring the holistic development of students by imparting value and skill-based education, inculcation of skills and professional values, and providing a conducive system and environment for entrepreneurship, research, and innovation.

The Institute is located within the Municipal Corporation area of Chhatrapati Sambhajnagar (Aurangabad). It is in the educational environment having various colleges such as Dental, Ayurved, Agriculture, Polytechnic, and Engineering, and is just 2 km from Chhatrapati Sambhajnagar Railway Station and 4 km from Central Bus Stand. The college has eight Engineering Departments offering various B.Tech & M.Tech programs in ME, EE, CSE, Civil, AI & DS, Electronics & Computer Engineering, Electronics & Communication Engg. (ACT) and Electronics Engineering (VLSI Design & Technology (VDT)).

2025 NATIONAL CONFERENCE ON INNOVATIONS IN SCIENCE, ENGINEERING, and TECHNOLOGY

(2025-NCISET)

Mode: Hybrid

24 June 2025 | CSMSS Shahu
Maharaj Auditorium, CSMSS Campus

ABOUT THE CONFERENCE:

The National Conference on Innovations in Science, Engineering, Technology, (NCISET) is a prestigious gathering that provides a platform for researchers, academicians, professionals, and students to share their insights, discoveries, innovations across diverse disciplines and discuss the latest developments. The conference serves as a catalyst for fostering collaboration, promoting interdisciplinary research, and addressing contemporary challenges in engineering, science, and technology. It promotes a dynamic setting for knowledge sharing, creativity, and the growth of excellence in practice and research in a number of disciplines. Advancing the frontiers of science, technology, engineering is crucial for the advancement of society.

CALL FOR PAPERS:

Scientists, Academicians, Researchers, Practicing Engineers, and Students from around the nation are invited to submit their research papers and case studies for presentation in the proposed conference and share their knowledge, skill, experience, and expertise through research presentations and keynote addresses on the topics stated at the 2025 National Conference on Innovations in Science, Engineering, and Technology (NCISET 2025) to be held on 24 June 2025 at CSMSS Chh. Shahu College of Engineering, Chhatrapati Sambhajnagar, MH, India in Hybrid mode.

Interested Researchers / Academicians / Students are requested to submit the research papers on any of the mentioned topics in up to 6 pages in (Given Format: <https://shorturl.at/HaW36>) neatly typed with Title, abstract, keywords, literature, methodology, results/findings, conclusions and references. The selected papers with extended version will be published in journals (with additional Charges) and Conference Proceedings with ISBN.

CALL FOR PAPER/POSTER

The research paper can be on the following themes/Tracks

Advancements in Science & Technology

- Physics and its Application
- Chemistry and its Application
- Environmental Science
- Biological Science
- Pharmaceutical Sciences
- Renewable Energy Systems
- Smart Cities
- Artificial Intelligence
- Mathematical Modelling

Advancements in the Engineering Domain

- Electronics Engineering
- Computer Science and Engineering
- Civil & Environmental Engineering
- Automobile and Thermal Engineering
- Advanced Communication Technology
- Artificial Intelligence & Data Science (AI&DS)
- Mechanical Engineering
- VLSI Design & Technology
- Electrical Engineering

The above list is only indicative and not exhaustive. The researchers are free to pick any of the topics, their choice having implications on Science, Engineering and Technology.

IMPORTANT KEY DATES:

- **Conference Date: 24 June 2025**
- **Deadline for the Submission of Full-Length Article: 10 June 2025**
- **Notification of Acceptance: 20 June 2025**
