NOTICE

Subject: Final Reminder for Submission of R&DC Data (A.Y. 2025-26, Odd Semester)

All faculty members and dept. R&DC Coordinators of the Electrical, Civil, and Mechanical Engineering Departments are hereby informed to submit their R&DC data for A.Y. 2025-26 (Odd Semester) along with all necessary supporting documents and signatures. The Submission Deadline is Saturday, 23 May 2026, up to 1:00 PM. Faculty members are advised to ensure that their records are complete and submitted through their respective departments R&DC Coordinators within the stipulated time.

Any R&DC data submitted after the above deadline will not be considered for incentive (monetary fund) distribution for any faculty member of the concerned department. Such late submissions will be accepted only for departmental and R&DC record purposes and will not be eligible for incentive processing.

All concerned faculty members are requested to treat this as the final reminder and comply accordingly.
